WELCOME ON SITE DI PIZZA MAX!!
.. discover the emotions of the taste

Presentation:

Our products are something unique in the kind for aspect, taste, fragrance, genuineness, lightness, digestibility, choice, typical, professionalism.

All prepared ones come using flours of "absolute quality", "certified." Doses are rigorously respected of I mix and formed to preserve and to maintain unchanged both the "ancient recipes" in base to the origin both him "ancient tastes of once."

After having chosen with meticulous attention the first subjects and to have worked her with total absence of preservatives (to exclusion of some delicate products as for instance the creams), our products are preserved with our method: "The Cold" the surest and ancient method of the world.

Also these delicate phases of workmanship are effected rigorously respecting all the normative of law in force and thanks to this "method" our products can be delivered in Italy with the absolute certainty from who orders them to receive a product "genuine, fresh, entire, ready to the sale."
